

CURRICULUM VITAE

Name: Philip James Lickley

Address:

Date of Birth:

E-mail: philiplickley@hotmail.co.uk

Telephone:

I am looking for a career in print journalism; I have always had an interest in journalism from secondary school where I contributed to the official school newsletter and created my own one.

Since then I've written news articles and reviews for the University of Bradford Union magazine / newspaper and pieces for local newspaper 'Pick Up Yorkshire'.

Away from these areas I also have experience with basic website designing, live music production and photography, and have interests in radio and 3D animation and compositing. I also hold a full UK driving licence.
